COVID-19 SAFETY MEASURES– BEACHES DIVISION IN 3 PARTS

- **Active Area.** The strip parallel to and closest to the shore is only for the purpose of walking and exercising, this area will be approximately 5 metres wide to help facilitate interpersonal safety.
- **Resting Area** (parallel to the shore). Towels, hammocks or umbrellas.
- **Shelter Area**, that area where play and sports will be allowed.

Variable width of the strips depending on the morphology of each beach.

Areas bounded by grooves in the sand, the concessionaire for beach cleaning will mark and review the grooves daily.

Information panels will guide the location and uses of the three strips.

"Covid-19 Awareness Agents". Daily service from June 20th to August 31st , morning and afternoon.

Sealed footbaths for prevention.

Beach games infrastructures are available and will be disinfected twice a day

Beaches will have police surveillance through the use of drones

BASIC RECOMMENDATIONS FOR USERS

- Respect 2 m distance between people, if you do not wear a mask
- Wear footwear to avoid contact with surfaces
- Do not throw cigarette butts and other debris on the sand.
- Wash hands after touching common items

CLEANING SERVICES

It will be reinforced.

The sand on the busiest beaches will be aerated frequently and the access walkways will be disinfected twice a day.

Beach games have been unsealed and will be disinfected twice a day.

ACCESSES

26 accesses with walkways. The entry and exit will be marked. Reinforced accesses at Punta del Raset, Marineta Cassiana and Les Deveses beaches.

There will be **litter bins** next to the entrances.

BIO-HEALTHY PARK

At Les Bovetes Beach, a Biohealth Games area is set up which will be disinfected twice a day.

PENDING TO UPDATE THE INFORMATION ABOUT THE REST OF SERVICES AND CONCESSIONS.

WE WILL KEEP YOU INFORMED!
